Manufacturers & Exporters of Nuts,Bolts & Washer

About Us

Bhawani trading was founded by Shri Jagdish Chand Singla Ji in 1980. In 2007, our company tie-up with Singla Bolts and in 2017 we also tie-up with Century Bolt. Our products are marked as CBC. We are the leading Fasteners Manufacturers, Fasteners Suppliers & Fasteners Exporters based in Ludhiana (India). We maintain Quality of our products as well as cost. We never compromise with products in relation to quality as quality products are our company's back bone. we provide very competitive rates to our reputed customers with 100% customer satisfaction. We have huge customers in all over india (Maharashtra, Assam, Bihar, Chhattisgarh, Gujarat, Jharkhand, Karnataka, Madhya Pradesh, Rajasthan, Uttar Pradesh etc.).

All the products, manufactured by us, are as per British standard, Indian standard, DIN standard, etc. With a solid reputation for quality, service and reliability, we have scaled the heights of success. We believe in continuous upgradation our manufacturing techniques and embracing the latest technology to enhance the product quality.

Quality Assurance

In-house section of Quality Assurance to maintain strict Quality standrad regarding Raw Material and outgoing Material. We maintain regular quality control checks. Quality is the prime objective of our organization thus, we offer only superior quality range of Industrial & Engineering Products. We procure all our products from genuine and reputed vendors of the market, who themselves are the trademark of quality. They manufacture these tools using superior quality raw material and design these in compliance with the prevailing industry standards.

Infrastructure

We believe in the fact that infrastructural set-up plays a pivotal role in ensuring the growth and success of a company. Therefore, we have developed a large and capaciously built infrastructural facility at our end that is equipped with modern machines and equipment required for timely meeting of the requirements of our clients. Besides, to manage and handle these machines and resources we have with us an adroit team of professionals that include technocrats, supervisors, engineers and other skilled workers. The firm's production plants are equipped with the latest, modern and upto date machinery. We do not hesitate to adopt the latest technology or make the necessary changes in our working system.
